Welcome to our Paw Print Club

Our aim is to provide the gold standard of clinical care, to both you and your pet in a friendly and supportive environment.

The Paw Print Club is our fantastic value for money preventative health care plan. Being a member enables you to budget monthly for the routine preventative treatments your pet needs, whilst reducing the annual cost to you. Offering you peace of mind that you are doing the best for your beloved pet.

A health care plan is not pet insurance, instead it covers vaccinations and parasite control which a pet insurance policy does not cover.

Joining is easy

Join our plan in the practice and benefit straight away.

For more information, speak to a member of our friendly team who will be happy to answer any questions you may have.
